Subject: [External] Re: Docket 2022-144-T, Application of Coastal Carrier Moving and Storage Grand Strand, Incorporated to Amend Current Tariff (See Docket No. 2004-26-T)

Thank you for your inquiry and promptness. Listed below are the key factors in our decisions to raise prices.

- Rising fuel costs
- Rise in pay to retain our skilled labor
- The difficulties and expenses around finding more quality labor
- Increase in the expenses associated with keeping our trucks safely running and DOT compliant
- Rise in costs for materials (boxes, tape, moving blankets, etc)
- Rise in expenses for our warehouse

Additionally, we want to be more profitable. Some of the other things that are different in our proposed tariff are just providing more description as to what we classify a local move as.

I hope this serves as our justification. Please let me know if you have any further questions.

Thanks,

Manny Clark
